Tic Tac Toe Addition Facts

a game for 2 players
Use counters or O's and X's cards to play.

Take turns to answer an addition fact.

If you are correct cover the square with a counter or a symbol card.

The first player to make 4 in a row vertically, horizontally or diagonally, is the winner.

Try the Variation: The winner is the first player to make a square of 4 small squares.

Play the game with counters in 2 different colors or print the O's and X's cards to play.
