

# Lesson Planning – Done!

SchoolhouseTeachers.com includes suggested Lesson Plans with all our courses.

**Instructions:** This suggested lesson plan is broken down into separate weeks and days. On the line beside each day, write the specific day of the month you would like your student to complete each assignment (consider writing dates in pencil). As your student completes each assignment, he/she can mark the check box beside it. When the entire lesson has been completed, come back to this page and mark the check box beside that lesson. When the entire course has been completed, consider printing out a Certificate of Achievement as well.

The note areas on the left of each page are provided for anything you want to remember for a particular lesson, a note you want to share with your student, further instructions, and so on.

**Lessons Completed** (Check the following boxes as you have completed each lesson for the week.)
